ENDURANCE

A fantastic non-stop action event for the more experienced kart racer.

Team members must work together and develop tactics to ensure victory over the other teams within your group.

Driver changeovers and a close monitoring of the pit lane timing equipment make the endurance race a fantastic format as teams clock up lap after lap. The over heated tyres and fuel stops mean that endurance racing has a constant change of leaders and some quite unexpected winners.

The How...

- * Sort a team of **4** drivers
- * **Register Your team**
- * **Send an email to:**
don.hastie@hotmail.co.uk
- * Dates in **June** available
- * **Quick:** Get Your team to me so I can finalise the date

The Challenge...
